

**NWC-CAC
CSU REPORT
January 26, 2017**

Some updates from CSU—

- CSU Facilities has issued an RFP for Program Management for CSU's three facilities. This team will be helping CSU (and Denver Water for the Water Resources Center) to refine the existing program and will work closely with CH2M to deliver our buildings
- The internal CSU Sustainability team (experts on water, energy, waste/trash) have launched their work to do preliminary analysis of existing resource use, based in part on the data collected during the stock show (<http://www.9news.com/news/education/behind-the-scenes-of-the-national-western-stock-show/385601682>)
- CSU's Temple Grandin Equine Center worked with NWSS to host the first Exceptional Rodeo, to pair special needs kids with professional cowboys (<http://www.9news.com/news/local/-exceptional-rodeo-at-the-stock-show/386863267>)
- The Temple Grandin Equine Center will be offering equine assisted therapy at the NWSS once CSU and the NWSS finalize the lease agreement
- CSU Day at the NWSS on Saturday, January 14, included CSU mutton busters, CAM the Ram, more than 400 alumni in attendance

Thank you!
