

**CITIZENS ADVISORY COMMITTEE
PARTNER UPDATES
JULY 2018**

NATIONAL WESTERN STOCK SHOW

- Working on 2019 NWSS plans and closing sponsorship deals, as well as rodeo contracts.
- Continue to work on design ideas of the site and buildings with the place making teams.
- Pitching all major horse shows and livestock shows in prep for new buildings.

COLORADO STATE UNIVERSITY

- Past Events
 - Denver County Fair—CSU had a big presence at the Denver County Fair including our Little Shop of Physics, CSU Extension (including Master Gardeners), 4H activities including a petting zoo and straw rockets, CSU’s Bug Zoo, and a Virtual Reality Experience
 - State of the City—CSU collaborated with the NWC team’s booth, and handed out “Ram Fans”
- Current Activities:
 - CSU Denver Extension:
 - Help Extension hire great people!—Denver Extension is hiring 2 additional AmeriCorps members (have two currently) to do STEM programs in schools, currently looking for these new hires, would prefer at least one from GES, and Spanish speaking is preferred (job description attached)
 - Would also like to identify schools interested in having those STEM programs (out of school time), so please let us know if you know teachers/schools who’d be interested
- Upcoming events in the next month:
 - July 21st--Old Globeville days—CSU will be there with some food-oriented activities! Also collaborating with DMNS and History Colorado
 - August 4th—Water Fellows event, they are here with more info!

- August 5th--Adalante 5K—CSU will be sponsoring Clinica Tepayac's Adalante 5K on August 5th, our Triathlon Team will be there again, as well as our Smart Fit Girls program
- Upcoming Events in September/October:
 - Sept 13--Laradon Annual Carnival
 - Sept 22--Valdez-Perry Library Festival
 - Oct 6th—5th Annual Wellness Clinic with Focus Points, Dumb Friends League, PetAid, UC Health
 - Oct 18th-- Little Shop of Physics will host a community day including BRS, likely their feeder elementary schools, and open to the community in the evening
- Bruce Randolph School—
 - Will be collaborating with AP Civics and AP Human Geography classes again this year, focused around water
 - Also continuing 8th grade campus visits

DENVER MUSEUM OF NATURE AND SCIENCE

Coming Soon!

HISTORY COLORADO

Starting July 9th, and running through February 3rd, History Colorado will have a mural by Globeville artist Anthony Garcia Sr on the 4th floor mezzanine. He'll be live painting it from July 9th to July 20th. The mural will also offer a small amount of interpretation about the history of the Globeville neighborhood, and how Anthony's organization, Birdseed Collective, serves the neighborhood. Anthony will return on Colorado Day to do live painting throughout the day.

On July 21st History Colorado will have a celebration of the bicycle called Bikes and Big Wheels. We'll have a bicycle rodeo in the atrium, vintage bikes from New Belgium, transportation related exhibit scavenger hunts, computer stations where you can play the old Paperboy video game, and most importantly the Colorado Room will be transformed into a Big Wheel racetrack.
